

Wild Goose Flight - traditional Iroquois

My paddle's keen and bright flashing like silver
Swift as the wild goose flight, dip, dip and swing.
Dip, dip and swing her back, flashing like silver,
Swift as the wild goose flight, dip, dip and swing

My Little Pony

My little pony needs a pair of shoes
How many nails must I use?
One, two, three, tie her to a tree.
Let her have a bag of hay,
Then she will not run away.

Down with Darkness - E. Amiran

Down with darkness, up with light;
Up with sunshine, down with night.
Each of us is one small light,
But together we shine bright.
Go away, darkest, blackest night,
Go away, give way to light.

Kookaburra

Kookaburra sits in the old gum tree.
Merry merry king of the bush is he.
Laugh, kookaburra laugh. Kookaburra
Gay your life must be.

Kookaburra hops in the old gum tree.
Merry merry king of the bush is he.
Laugh, kookaburra laugh. Kookaburra
Gay your life must be.

Kookaburra skips in the old gum tree.
Merry merry king of the bush is he.
Laugh, kookaburra laugh. Kookaburra
Gay your life must be.

Woodcutters - Blake Sutton

Chop, chop, woodcutters
Chopping, down the trees
Swinging, swinging, axes
With blades so bright and keen.

Push and pull, the sawyers

Sawing down the trees
Back and forth the toothy blades
Cut the branches free.

Hoist and haul, the lumberjacks
Marching through the trees
stomping through the tall grass,
Up above their knees.

Drag the logs to the river bank
And push them one by one
Now riding on the rivers back
To build a brand new home.
